

Data Governance & Retention Policy

1. Scope and Purpose

This policy outlines the rules for managing data lifecycle, ensuring data quality, and maintaining compliance with GDPR and CCPA regulations.

2. Data Retention

Customer transaction data must be retained for 7 years for tax purposes. After 7 years, data must be securely archived or anonymized.

Application logs containing IP addresses must be deleted or anonymized after 90 days.

3. GDPR Compliance

All customer data must have a clear legal basis for processing. We must comply with 'Right to be Forgotten' requests within 30 days of receipt.

The Data Protection Officer (DPO) is responsible for overseeing compliance and handling complex data privacy requests.
