

Q2 2024 Financial Report

1. Executive Summary

Q2 2024 was a strong quarter with revenue exceeding expectations by 15%. However, operating expenses also increased due to aggressive hiring in the engineering department.

2. Revenue Summary

Total revenue for Q2 was \$14.2 million. Subscription revenue accounted for \$12 million, while professional services contributed \$2.2 million.

Year-over-year growth stands at 24%, driven primarily by expansion in the European market.

3. Expenses and P&L

Operating expenses totaled \$9.8 million. Sales and Marketing was the largest expense category at \$4.1 million, followed by R&D at \$3.5 million.

Net profit for the quarter was \$2.8 million. We are maintaining a healthy cash reserve of \$18 million.
